

Survey questionnaire for Better Work Haiti – Human Resources Manager Survey Better Work Impact Assessment	
Question Number/Label	Question/Instruction
Intro	Beginning in 2008, the Better Work Program was introduced in apparel factories like yours. Tufts University in Medford Massachusetts (USA) has been selected by the International Labour Organization and the International Finance Corporation to conduct an impact evaluation of Better Work.
Purpose	The evaluation is designed to identify program impact on factory organization, productivity, profitability and business opportunities.
Benefit	Your participation in our evaluation will help us identify aspects of the Better Work Program that are effective and those that need to be revised.
Confide	All of your answers will remain confidential. Your answers will only be used to assess the effectiveness of the Better Work Program. No individual factory responses will be released. Reports based on the analysis of the data provided by factories will only summarize the responses of all participating factories.
Voluntary	Please understand that participation in this survey is voluntary. You may refuse to participate.
Risk	<p>You may not know the answers to some of our questions. If that is the case, you can click on the red button that says “I do not know,” then clicking on the green forward arrow to go to the next question.</p> <p>Some of our questions may make you feel uncomfortable. You can skip uncomfortable questions by clicking on the red button that says “I do not want to answer,” then click on the green forward arrow to go to the next question.</p> <p>Some of our questions may have more than one right answer. In these cases, we will ask you to check all of the choices that apply to your factory. To return to a previous question, click on the green back arrow.</p>
Follow	After you have completed the survey you may have some questions or concerns. We will provide you with contact information for Better Work Haiti and the name of a person who can help you.
Consent	Do you consent to participate in our evaluation of the <u>Better Work Program</u> ?
	1. Yes 2. No
Arrow	After you have made your selection, click on the green forward arrow.
Decline	If “yes” on Consent go to A01. If “no” on Consent: You selected that you do not want to

	<p>participate. Remember, all your answers are kept confidential and are very important to us.</p> <p>Do you consent to participate in our evaluation of the <u>Better Work Program</u>?</p>
	<p>1. Yes</p> <p>2. No</p>
	<i>If "yes" on Decline go to A01. If "no" on Decline: Thank you for your time.</i>
